Archibald "Archie"

Background

Archibald the first (Archibald "Archie"'s grandfather) was the first prospector onsite and as the town grew, his family grew and continued to stay with it. But Archie I remained, as did his descendants. Archibald "Archie"III, as the last remaining resident of Sarsaparilla Springs, happily awaited the arrival of the Rec Room Historical Society and Rec Room Shop Class, who had repaired the rusty Rec Room Express to its former glory. Archie and the Rec Room groups teamed up to create a fun-filled space for students which became Showdown.
